KNITTING NEEDLES 5 - 5

The instant impact of the gradient effect of Poema Alpaca comes from the series of nuanced colours. The yarn's prestigious make-up creates deep emotions; its delicate shades alternate in a succession of waves that give the garments a unique aura of warmth and fluffiness. Very light and soft, with a slightly furry effect, Poema Alpaca yarn is high performance and suitable for accessories, jumpers and shawls.

THE COLOR EVOLUTION
